Meeting Called to Order

The Central Florida Cares Health System, Inc. (CFCHS) Finance Committee Meeting was held on Wednesday, December 7, 2022, at 1:00 p.m. The Treasurer called the meeting to order at 1:00 p.m.

Treasurer's Report

Scott Griffiths made a motion to approve the October 12, 2022, minutes, Valerie Holmes seconded the motion; motion passed.

Financial Report

The CFO reported on the unaudited October 2022 financials. The Balance Sheet includes the balances from August 31, 2022, through October 31, 2022. Accounts Receivable has an increase in August/September. In August, there was a delay in funding and paying providers resulting in an increase in liabilities. The Interest and other Payable to DCF balance of \$5.4M in August is the payback balance of unutilized funding from last year's contract. Current year excess revenues are generated by the two CJMHSA grants, whose respective expenses are lagging at this point.

The Statement of revenues and expenses shows two grants having a buildup of \$57K per month. Program services line revenue and the respective services expenditure side have an increase in September. Providers were paid a pro-rata basis in July and August, with a reconciled payment process in September. In the first quarter some providers were slow in submitting data. October

was more of a steady state of data reporting and utilization with just under 7.4M in service expenses. Conferences had a reclass of expenditures to grant expenses. The CFO recapped on dues and subscriptions expenses at a balance of almost \$48K. FAME had an increase and added a public relations component.

OCA's – ME Admin expenses through the month ending October 31 were expected to be at a target of 29.7% ended at 24.6% of the budget. Mental Health services were expected to be at a target of 29.3% ended at 27.3%. Substance Use, 30.5% was projected, but 33.3% was used. OCA's with utilization under 75% of the target marked in red were discussed.

Page 7 shows carry forward expenditure utilization with a \$8.2M budget, of which \$5.99M is provider services and \$2.2M is ME.

On page 8, GHME1 Contract Amendment 59 was executed November 16th, which increased the budget to \$105M.

A motion to approve the financial report as presented was made by Valerie Holmes, Scott Griffiths, seconded; motion passed.

Annual Audit Report – will be presented at the January 11th meeting, as DCF's PANS has delayed the audit. Ninety percent of the audit has been completed with no findings.

Meeting Called to Order

The Central Florida Cares Health System, Inc. (CFCHS) Finance Committee Meeting was held on Wednesday, October 12, 2022, at 1:00 p.m. The Treasurer called the meeting to order at 1:00 p.m.

Treasurer's Report

Valerie Holmes made a motion to approve the September 14, 2022 minutes, Scott Griffiths seconded the motion; motion passed.

Financial Report

The CFO reported on the unaudited August 2022 financials. The Balance Sheet includes the balances from June 30, 2022, through August 31, 2022. Accounts Receivable shows \$23,475,662 received from the state for August and July receivable should be received tomorrow or Friday. In August, there was a delay in receiving the last portion of the June reconciled balances due from the Department and Receivables look a little higher than normal due to the delay. Prepaid insurance increased as well as prepaid deposits since at the beginning of year the annual bill is reduced monthly and sits in prepaid. A leading indicator for Accounts Payable for the month shows services are down since OCA utilization for July and August are more of an allocation. At the end of September, we will start reconciling each provider versus utilization.

On the Statement of revenues and expenses, program services show August a little less than July. A couple of providers' utilization was less than expected so there was a downturn in what we were reimbursing them. Dues and Subscriptions at \$47K were upfront and were for yearly FAME fees which had an increase this year. Rent increased 10% but are still competitive with the market who were at a 15-20% increase. During Hurricane Ian, the building did not lose water, power, or internet.

OCA's – ME Admin for the first 2 months were expected to be at a target of 15.9% but were at 14.1%. Mental Health services were expected to be 15.8% but was at 12.1% but is too early in the year to see trends of under/over utilized. In Substance Use, 16.4% was projected, but 15.3% was used. HIV services, Care Coordination, and Transitional vouchers marked in red were discussed.

On page 7, GHME1 Contract Amendment 58 was executed September 1st which increased the budget around \$600K more.

A motion to approve the financial report as presented was made by Scott Griffiths, Kelly Velasco seconded; motion passed.

Other/Public Input: A member asked if any disaster relief/hurricane funding has occurred. CFCHS received funds for Crisis Counseling providers and counselors have been deployed in the tri-county area for the last 2.5 weeks. Brevard County has just been declared a disaster area.

Next Finance Committee

This is scheduled for Wednesday, November 9, 2022, at 1:00 pm.

Valerie Holmes made a motion to adjourn, Kelly Velasco seconded, motion passed.

The meeting adjourned at 1:30 pm.
