Central Florida Regional Office
(321) 231-0587

Peter D has consulted for the Centers for Disease Control, the American Medical Association, and the White House Office on Drug Control Policy. Dr. D. regularly keynotes at education, prevention, health promotion, and media conventions. He has spoken to hundreds of thousands of students from kindergarten through college and has trained thousands of teachers and health/prevention activists on how to use science-based media education for prevention. Dr. D. leaves audiences laughing, learning and asking for more!.

**This is a GREAT
NREPP Evidence-based curricula for
classrooms, after school programs
and youth development programs
and it's all FREE!!!!**
