

JUST THE FACTS

Street Names: Know the Lingo

Young people almost never talk about drugs by name. Instead, they usually refer to drugs by a variety of nicknames, or "street names." These street names give kids a way to discuss drugs without having to worry about being overheard by curious parents, teachers, or other adults. Street names for drugs often pop up in movies, songs, text messages and social media posts, and adults often have no idea of what they mean.

Here is a list of some commonly abused drugs and their street names:

Bath Salts: Arctic Blast, Blue Magic, Cloud 9, Cloud 10, Fake Cocaine, Wicked X, Ivory Fresh, Ivory Wave, Lady Bubbles, Snow Leopard, Stardust, Vanilla Sky, and White Dove.

Cocaine & Crack:

Aunt Nora, Blow, Bolivian Marching Powder, Big C, Coke, Flake, Freebase, Lady, Nose Candy, Rock, Snow, Snowbird, Toot, White Lady, Yayo, and Booger Sugar
