Financial Report

The CFO reported on the unaudited November 2023 financials. Key items to note are cash in the bank is at \$14.6M and Accounts Receivables are at \$19.6M with the combined current assets at \$34.2M. There was a delay in receiving payment from DCF in November and when there is delay, there are more in receivables than cash. Prepaid insurances are paid at the beginning of the year and as the year progresses, they are fully utilized by year end. Under Liabilities in Accounts Payable, the total amount of services accrued to be paid to providers for November was \$9.2M.

On the Income statement, it shows the total service revenue from DCF at \$9.5M for the month and grant revenues were received at \$57K, with a combined total Revenue of \$9.593M. Provider Services Expenses increased from September and October due to more utilization. Another key expense item is Software Expense which had a one-time expense to Five Points for CORe

service data upgrades. Conference expenses slowed down in November and December due to not many at that time of year and due to the pharming incident, conferences were put on hold.

OCAs – ME Admin expenses were shown through the month ending November 30, 2023, and compared to the Schedule of Funds through Amendment 66. The YTD target was 42.8%, but 32.3% was utilized. ME Admin is underutilized overall, due to 4 open staff positions.

Pages 5-6 show utilization by OCA, by provider. Mental Health services ended November YTD at 37.9% with a target of 39.4% and Substance Use services ended at 33.6% with a target of 39%.

Page 7 is a summary of the OCAs with low utilization and explanations were provided. Page 8 shows CFCHS's DCF Contract budget is \$123.9M with Amendment 66. Amendment 67 is pending and will increase the budget to \$129.4M. Page 9 shows the history of DCF funding since FY 16-17. The Admin rate is now 3.13%, where in 2019, the rate was 3.66% with a budget of \$3M. The Admin base rate has stayed the same throughout the years and are doing more with less.

CORe was discussed among members. It was suggested that CFCHS reach out to Healthy Start in Seminole County to potentially collaborate.

The CFO updated the committee on the paybacks to CFCHS regarding the bank pharming incident. The CEO stated the cyber insurance coverage will increase from \$1M to \$9M. The final pharming report has been finalized, sent to the independent auditor to incorporate into the audit, and will be sent to the OIG, but will remain open until July/August since this could take 9 months to resolve. More recoupment of funds is expected.

Amber Carroll made a motion to approve the November financial report as presented, Ian Golden seconded; motion passed.
