Financial Report

The CFO reported on the unaudited August 2023 financials.

The CFO reported on the unaudited August 2023 financials. Balance sheet reflects June 30 YTD and under Liabilities, the advance due to DCF at \$1,400,785 is the payback on unused federal dollars. This was significantly reduced compared to prior years, which were usually between \$5M to \$8M. The carry forward budget for FY2022-23 was spent down to \$1.729M. Deferred revenue of unutilized state dollars on June 30th will be classed as carry forward on July 1st. Accounts receivable on August 31st grew to \$27M. This is due to slow processing of the June 30th final invoices from the Department as well as the cash advance from DCF being reduced to a base level as the FY2023-24 contract was not approved until September 18th. The DCF advance that is owed to CFCHS is accrued. Under liabilities, the interest and other payables due to DCF as of August 31st is \$1.439M.

The Income Statement reflects June, June 30th YTD, July, August and current year to date. CFCHS paid providers on a pro rata basis for July and August 2023. Program services in July were \$8.88M versus \$8.79M in August. Two small programs were doing actual utilization, but everything else was paid pro rata. Outreach &Awareness spent \$39,300.

OCAs – ME Admin expenses were shown through the month ending August 31. Two OCAS, state opioid response Disc Grant Admin Years 4 and 5 must_be spent by Sept. 30th and are showing the target at an accelerated rate of 75%, versus 16.7%. ME Admin is underutilized overall, due to open staff positions.

Pages 5-6 show utilization by OCA, by provider. Mental Health services ended at 14.7% with a target of 17.2% and Substance Use services ended at 16.9% with a target of 18.1%.
