Financial Report

The CFO reported on the unaudited Preliminary June 2024 financials. The final invoice on August 15 will reflect provider year end reconciliation. The balance sheet through June 30, 2024 shows the Cash in Bank at \$9,093,390 and Accounts Receivable at \$11,845.937. Total assets were at \$21,284,582.

On the Income statement, Program Services Expenses in June Year To Date shows Provider utilization only at 88.9% and Revenue earned was at 88.6%. After final reconciliation, program service expenses should be 95% utilized. ME Admin services expenses are at 80.9% due to shortages in unfilled positions this year. Legal expenses are at \$18,603, vs the budgeted \$6,000, due to the October 25th pharming incident and October 27th phishing incident. Most recently in April, there was a second phishing incident. Attorney fees were associated with those three items. Professional Services Other were at \$80K.

OCAs – ME Admin expenses Preliminary YTD through the month ending June 30, 2024, have been utilized at 81.7% of the Budgeted amount of \$4,031,836. The Mental Health Services utilization is at 90.7%. Substance Use utilization is at 83.8% prior to the year-end reconciliation.

Pages 4-6 show utilization by OCA, by provider. Page 7 is a summary of the OCAs with low utilization, less than 75% of target, and explanations were provided.

Page 8 shows CFCHS's DCF Contract budget history showing \$129.4M with Amendment 68. Page 9 shows the history of DCF funding since FY 16-17. The Current year Admin rate is 3.12%.

Freddy Morello made a motion to approve the June Preliminary financials as presented, Justin Saenz, seconded; motion passed.

Bank Search: The CFO indicated that two banks for services were interviewed. The third bank was located predominantly in South Florida and did not wish to present to CFCHS. After researching the two bank options, it is recommended to use PNC Bank based on three key factors.

Freddy Morello made a motion to approve moving forward with PNC Bank for services, Robin Griffin-Kitzerow seconded; Justin Saenz abstained; the motion passed.

Pharming: The CFO gave an update on the financial impact of the incidents. The underwriter for the general liability insurance carrier denied our claim for Cyber Coverage under the general liability policy. CFCHS is an appeals process now. CFCHS has secured an increased level of coverage in cyber insurance for FY2024-25 and is trying to obtain secondary insurance to bring the coverage total up to \$5 million, and also cover exclusions in sublimits.

Schedule of Funds: The Schedule of Funds for FY 24-25 reflected a reduction in funds of \$22M and was discussed among members.

Other/Public Input: None
