The Board of Directors shall be based on a fair representation of each of the four counties (Orange, Osceola, Seminole, and Brevard) by population, representative specialties, and needed stakeholders with each county having no less than two Directors on the Board. TERMS OF DIRECTORSHIP

Directors' term shall be three (3)-year terms, after initial one (1)-year term.

SCHEDULED, SPECIAL, AND EMERGENCY MEETINGS

The Florida Statutes and the Contract between CFCHS and the Florida Department of Children and Families (Department) both provide that Florida's Government in the Sunshine Law in section 286.011 of the Florida Statutes (the Sunshine Law) is applicable to the meetings of the Board of Directors. Additionally, Florida law provides that the Sunshine Law is applicable to any advisory subcommittee or boards created by the Board of Directors or CFCHS.

The Board of Directors will hold at a minimum six (6) scheduled meetings annually. The Board of Directors may provide, by resolution, the time and place for the holding of regular meetings. Special meetings of the Board may be called by the President or by the Secretary at the written request of two (2) Directors. The Secretary will give notice of scheduled meetings not less than seven (7) days prior to the meeting, using written notice personally delivered, mail, or electronic communication to each Director at his/her business address and notice to the public as outlined by the Sunshine Law. The President or the Chief Executive Officer may call emergency meetings while also providing public notice as outlined by the Sunshine Law.

Special meetings should have no less than 24 and preferably at least 72 hours reasonable notice to the Board of Directors and the public as outlined by the Sunshine Law.

The attendance of a Director at a meeting shall constitute a waiver of notice of such meeting and a waiver of any and all objections to the place of the meeting, the time of the meeting, or the manner in which it has been called or convened, except when a Director states, at the beginning of the meeting, any objection to the transaction of business because the meeting is not lawfully called or convened.

QUORUM

A quorum shall consist of a fifty-one percent (51%) of the total Board of Directors' membership. The Board may act after obtaining a quorum, which must be obtained by personal contact. The majority of the committee must be present (an established quorum) to conduct official business. Any such action must be recorded in the minutes of the next regularly scheduled meeting of the Board of Directors. A majority of the Directors present, whether or not a quorum exists, may adjourn any meeting of the Board of Directors to another time and place. Notice of any such adjourned meeting shall be given to the Directors who were not present at the time of the adjournment and the public as outlined by the Sunshine Law, unless the time and place of the adjourned meeting are announced at the time of the adjournment and to the other Directors while still notifying the public as outlined by the Sunshine Law.

VOTING

When a quorum is present, a majority of votes cast is sufficient, by eligible present voters, for the adoption of any motion that is in order, except those requiring two-thirds vote of the Board.

PRESUMPTION OF ASSENT

A Director who is present at a meeting of the Board of Directors, at which action on any corporate matter is taken, shall be presumed to have assented to the action taken, unless the Director votes against such action or abstains from voting in respect thereto because of an asserted conflict of interest.

CONSTRUCTIVE PRESENCE AT A MEETING

Participation must be in person at a meeting. Directors who have unexcused absences from the regularly scheduled meetings will be referred to the Executive Committee for review and recommendation for action by the Board of Directors.

ACTION WITH A MEETING

Any action required by law to be taken at any meeting of the Board of Directors of CFCHS or any action which may be taken at a meeting of the Directors or a committee thereof, may be taken without a meeting if a consent in writing, setting forth the action so to be taken, signed by all of the Directors or all of the Directors of the committee, as the case may be, is filed in the minutes of the proceedings of the Board of Directors or of the committee, and such consent shall have the same effect as a unanimous vote.

LIABILITY OF DIRECTORS

The Board of Directors of this Corporation shall not be personally liable for its debts, liabilities, or other obligations. The Corporation hereby indemnifies and agrees to hold harmless from claim, liability, loss, or judgment any Director or officer made a party or threatened to be made a party to any threatened, pending or completed action, suit or proceedings, whether civil, criminal, administrative, or investigative (other than an action, suit or proceeding by or on behalf of the Corporation to procure a judgment in its favor), brought to impose a liability or penalty on such person for an act alleged to have been committed by such person in his capacity as Director, officer, employee, or agent of the Corporation or any other Corporation, partnership, joint venture, trust or other enterprise in which he served at the request of the Corporation, against judgments,

finances, amounts paid in settlement and reasonable expenses, including attorneys' fees actually and reasonably incurred as a result of such action, suit, or proceeding or any appeal thereof if such person acted in good faith in the reasonable belief that such action was in, or not opposed to, the best interests of the Corporation, and in criminal actions or proceedings, without reasonable ground for belief that such action was unlawful. The termination of any such action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent shall not create a presumption that any such Director or officer did not act in good faith in the reasonable belief that such action was in, or not opposed to, the best interest of the Corporation. Such person shall not be entitled to indemnification in relation to matters as to which such person has been adjudged to have been guilty of gross negligence or willful misconduct in the performance of his duties to the Corporation.

Any indemnification under the above paragraph shall be made by the Corporation only as authorized in the specific case upon a determination that amounts for which a Director or officer seeks indemnification were properly incurred and that such Director or officer acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation and that, with respect to any criminal action or proceeding, he had no reasonable ground for belief that such action was unlawful.

Such determination shall be made by the Board of Directors through a vote of a quorum consisting of Directors who were not parties to such action, suit, or proceeding.

The Corporation shall be entitled to assume the defense of any person seeking indemnification pursuant to the provisions of the above paragraph upon a preliminary determination by the Board of Directors that such person has met the applicable standards of conduct set forth in the above paragraph, and upon receipt of an undertaking by such person to repay all amounts expended by the Corporation in such defense, unless it shall ultimately be determined that such person is entitled to the indemnification by the Corporation as authorized in the By-laws. If the Corporation elects to assume the defense, such defense shall be conducted by counsel chosen by it and not objected to in writing for valid reasons by such person. In the event that the Corporation elects to assume the defense of any such person and retains such counsel, such person shall bear the fees and expenses of any additional counsel retained by him, unless there are conflicting interests between or among such person and other parties represented in the same action, suit, or proceeding by the counsel retained by the Corporation and representation by counsel retained by the Corporation is objected to in writing by such person, in which case the reasonable expenses of such additional representation shall be within the scope of the indemnification intended if such person is ultimately determined to be entitled thereto as authorized within these By-laws.

The foregoing rights of indemnification shall not be deemed to limit in any way the power of the Corporation to indemnify under any applicable law.
