Meeting Called to Order

The Central Florida Cares Health System, Inc. (CFCHS) Executive Committee meeting was held on Wednesday, August 28, 2024, at 2:00 p.m. at Central Florida Cares Health System. Ian Golden, acting as Chair, called the meeting to order at 2:00 pm.

Approve Minutes

A motion to approve the August 7, 2024, minutes with one correction was made by Debbie Owens, Amber Carroll seconded; motion passed.

Additional Cyber Insurance

The CFO stated the outlook on additional cyber insurance protection is not looking promising due to the supplements revolving around cyber fraud.

Budget Recommendations Discussion

The COO gave a thorough review of the System of Care working document budget with members and explained the methodology behind the budget cuts to providers. She presented two different scenarios for members to consider. Scenario #1 was to fund services only. Scenario #2

was to fund services and prevention. The COO is waiting on the state for clarification on dates ending 9-29-24 or is there more time to spend the SOR dollars for proper allocation of projected budget funds. The responses from the state could change the proposed budget.

Ian Golden asked about the impact of not funding the prevention campaign, which is the school diversion program.

Wayne Holmes made a motion to follow Scenario #2 to set aside the campaign at this point unless monies become available to affectively fund all or a portion of the campaign and go forward with the underproduction reduction to Eckerd, and staff has the discretion to reduce the budget based on the responses from the state, Amber Carroll seconded; motion passed.

The CEO stated the current budget is \$107M+ and the Admin rate is 2.46%. Amendment 56 in 2021 was at \$102M+ and the Admin rate was 3.56%. This shows the administration is asked to do a lot more with less funding.

Ian Golden called for a 5-minute break.

The meeting reconvened at 3:08 pm, when the President arrived.

Budget Recommendations Discussion – Part 2

The CEO discussed operational changes in CFCHS and stated there will be changes made.

Ian Golden made a motion to approve operational decision changes as needed, Debbie Owens seconded; motion passed.

The CEO spoke of looking at something small for staff, which was already set aside, or put back into the operations budget. The CEO recommendation is to give staff either a merit or 403(b) option. Additionally, the CEOs recommended would be to let the majority of staff decide to have a one-time merit or apply to their 403(b). The chiefs decided they would exclude themselves from the amount proposed. CFCHS will cover health insurance increased by \$14K.

Wayne Holmes made a motion to go forward with the proposed merit where employees can vote to take as merit or 403b, Ian Golden seconded; motion passed.

Policy Review

- Public Records Request
- Funding Allocation
- Sponsorship

The CEO stated the Public Records Request policy had some recommended changes by the CFC's attorney to add language. The Funding Allocation had some additional changes based on the most recent experiences to tighten the process up. The Sponsorship was to give more sponsorship language to the Contract Managers but the content to the COO and CEO.

The CEO and President needed to leave the meeting for another meeting. Ian Golden then chaired the meeting at 3:34 pm.

Members discussed each policy. Wordsmith changes were made. Since Sponsorship policy was approved at the last board meeting, there is no need to bring it back to the full board. The remaining two policies will go back to the board for approval in October.

Debbie Owens made a motion to approve the changes to Public Relations Request and Funding Allocation, Amber Carroll seconded; motion passed.

Other/Public Input – None

Next Meeting

The next Executive Committee meeting will be October 9, 2024, at 2 pm.

A motion to adjourn was made by Wayne Holmes, Debbie Owens seconded; motion passed.
