### Financial Report

The CFO presented the November unaudited financials.

The CFO reported on the unaudited November 2024 financials. Cash is at \$26.6M and Receivables are at \$11.67M. Payables are up with the significantly increased level of provider services utilization in November. In net assets, specifically the current year excess revenue, there is a significant increase as we have started recording the Kentucky Better Without It Revenue within the month of November. This is going to affect the bottom line in a positive manner. Next month, this unrestricted revenue will be allocated on a separate page along with the respective unrestricted expenses.

The Statement of Revenue reflects grants at \$444K, which \$57K was from the Criminal Justice Reinvestment Grants and the Kentucky Better Without It at \$360K. Personnel expenses were up

just a little bit this month. In the month of November, we had the insurance increases, where all three months of the increases were encapsulated within November. Some printing of material came out of printing and publications.

OCA's – ME Admin expenses utilization ending November 30, 2024, are at 35.2% versus a target of 35.5%. The Mental Health Services utilization is at 37.3% versus a target of 39.3%, and Substance Use utilization is at 34.3% versus as target of 37.4%.

Page 7 reflects the OCA's underutilized that were less than 75% of the target year to date and explanations provided.

Page 8 recaps Amendment 71 executed, and the last page shows the admin rate at 3.01%.

CFCHS was able to put Better Without It Kentucky funds in the new PNC bank unrestricted account and in December has earned \$565 in interest, which Central Florida Cares gets to keep. The SAMHSA grant is also in that account as well, so it is not tied to DCF's interests.

*A motion to approve the November financials as presented was made by Amber Carroll. Wayne Holmes seconded; motion passed.*

### **Organizational Updates**

The CEO stated that it is anticipated that CFCHS will have the new managing entity contract executed tentatively in May. She stated at the February board meeting we will be presenting the standard contract and will be presented to the network as well. She mentioned she is meeting with legislators and planning her trip to Tallahassee the first week of February.

Accounts Payable are at \$9.6M. Carry forward has \$14M instead of the normal \$8M allowed due to being able to carry over the opioid funds.

The Income Statement shows Provider Services Expense at \$9M, local travel and meetings/conference expenses are down due to budget and a new travel form with a backlog with processing travel.

OCA's are ME at 21.3% utilized versus the target of 23.2%. MH is at 22.6% utilized versus 25% of the target. SU is at 23.8% versus 25%.

Page 7 shows the addition of Amendment 70 to \$117M. Amendment 71 will bring the budget to \$127M. The current Admin rate is 2.79%.
