The Central Florida Cares Health System, Inc. (CFCHS) Finance Committee Meeting was held on Wednesday, March 12, 2025, at 1:00 p.m. Amber Carroll, Chair, called the meeting to order at 1:03 p.m.

Financial Report

The CFO reported on the unaudited January 2025 financials. Cash and Receivables are \$39.342M. Under Long-Term Assets - depreciation is done once a year, that is why the number stays relatively constant throughout the year. Accounts Payable are predominantly provider payments and at the end of January are \$11M. Wages are up just a little in January due to a couple of retro increases on a couple of staff. Our Current Year Excess Revenues are \$429K, predominately from grant revenues being paid in advance.

The Statement of Revenue shows the last 3 months in the first 3 columns. Then YTD is segregated on a year-to-date basis between DCF's GHME1 contract and then Grants.

The review of expenditures in January details the Program Services Expenses at \$10.4M and Personnel Expenses at \$209K. Dues and Subscriptions increased due to FAME's TaxWatch (aggregately spread evenly across all the MEs) and Software Development increased for a FivePoints update. Also, Software Expense was double the normal rate due to a December bill that was added in January. CFCHS will be utilizing more conference expenses throughout the remainder of the year as available funding has increased.

OCA's – ME Admin expenses utilization ending January 31, 2025, are at 51.6% versus a target of 52.3%. The Mental Health Services utilization is at 53.2% versus a target of 54.9%, and Substance Use utilization is at 54.2% versus a target of 51.5%.

Page 7 reflects the OCA's underutilized that were less than 75% of the target year to date and explanations provided.
