Meeting Called to Order

The Central Florida Cares (CFC) Finance Committee Meeting was held on Wednesday, June 11, 2025, at 1:00 p.m. Amber Carroll, Chair, called the meeting to order at 1:01 p.m.

Treasurer's Report

Robin Griffin-Kitzerow made a motion to approve the May 14, 2025, minutes; Justin Saenz seconded, motion passed.

Financial Report

CFO reported April financials where Cash in bank is \$17,690M and Accounts Receivable at \$19,518M. On the Liability side you will see a dramatic increase in Accounts Payable in April due to a reconciliation of Provider utilization with the total at \$15,072M. Carry Forward was \$14,101M in March and decreased via utilization to \$13,931M in April.

On the Statement of Revenue and Expenses, total Program Service Expenses for providers during April was \$15,602M. Personnel expenses had an uptick due to an employee leaving the agency and another Contract Manager hired. Outreach and Awareness was up a little due to the Own your Recovery for 2-months of advertising on streaming broadcasts of Orlando Magic games. Software development expense was for changes in FASMS that the Department requires.

OCA's – ME Admin expenses utilization ending April 30, 2025, are at 70.8% versus a target of 82%. Mental Health Services utilization is at 82.4% versus a target of 82.1%, and Substance Use utilization is at 77.9% versus a target of 78%.

Page 7 reflects the OCA's underutilized that were less than 75% of the target year to date and explanations provided.

Page 8 shows Amendment 73 executed, and the last page shows the admin rate at 2.75%. CFC is currently waiting on Amendment 74.

Freddy Morello made a motion to approve the April financials as presented; Robin Griffin-Kitzerow seconded; motion passed.

Benefits Package

The CEO mentioned CFC does not have any budget information on the new GHME2 contract. CFC chiefs will be going to Tallahassee to meet with the Department and review the GHME2 contract. At a later time, budget information will be shared at another in-person meeting in Tallahassee.

There was no operational excess for any salary adjustments for employees last year. CFC did give employees a small merit. Since we don't know what our budget looks like for operations on July 1, we are proposing a merit, a 403b adjustment, continue to cover the cost of health insurance at a 12% rate increase, and also apply a COLA at 2.9%, and if our budget allows, we could address any salary increases thereafter. \$163,059 is the proposed amount.

Robin Griffin-Kitzerow made a motion to accept the benefits package as presented; Freddy Morello seconded; the motion passed.

Other/Public Input: None

Next Finance Committee

This is scheduled for Wednesday, August 13, 2025, at 1:00 pm.

OCA Expenditure Utilization Key Notes

YTD for the month ended 04/30/2025

Apr 2025 YTD - OCA UTILIZATION SUMMARY							
	OCA Description	NR	Sch of Funds (Amend 73)	Expenditures Thru Apr 30, 2025	% Utilization	Target%	Notes - current month Low Utilization in Red
MH26B	ME BSCA Early Intervention SVC-Psychotic Disorders (started 11/1/24)		24,725	5,386	21.8%	68.8%	This is very specific to the First Episode Pyschosis program and only one subcontractor in our network is trained to offer this program. This funding is a supplement to the main funding received. Currently this subcontractor is only utilizing it for incidentals. CFC will discuss with them if there are any other expenses from the FEP program that could be expensed from this OCA.
MH0BN	ME MH BNET (Behavioral Health Network)		1,502,374	829,365	55.2%	83.3%	The Florida Department of Children and Families oversees the eligibility for this funding and the enrollment has continued to be low this year. CFC has no control over the enrollment.
MH0CN	ME MH Care Coordination Direct Client Services		1,588,956	918,814	57.8%	83.3%	On 11/24/2024, \$800,000 was amended into our contract, specific to HB7021. There was a delay allocating to providers as we were awaiting feedback from DCF on expectations on how to utilize these funds. For some of the providers who received these funds it also required discharge planners to be hired. CFC continues to work with the providers on utilizing these funds specfic to HB7021. If we exclude the \$800,000 from this funding, the current burn rate is 87%. These are state dollars so what is not expensed this year would be included in our carry forward plan.
MHMDT	MH ME Other Multidisciplinary Team		2,803,710	1,007,609	35.9%	83.3%	On 11/24/2024, \$1,300,000 was amended into our contract, specific to HB7021. CFC in partnership with LSF procured this funding for a children's SRT. We awarded a provider in February but the budget is approximately \$530,000. We are re-evaluating what is allowable under HB7021 to utilize for this FY. If we exclude the HB7021 funds we are at a 51% burn rate. These are state dollars so what is not expensed this year would be included in our carry forward plan.
MS0CN	ME SA Care Coordination Direct Client Services		617,324	247,737	40.1%	83.3%	On 11/24/2024, \$400,000 was amended into our contract, specific to HB7021. There was a delay allocating to providers as we were awaiting feedback from DCF on expectations on how to utilize these funds. For some of the providers who received these funds it also required discharge planners to be hired. CFC continues to work with the providers on utilizing these funds specfic to HB7021. These are state dollars so what is not expensed this year would be included in our carry forward plan.
MSOCR	ME Opioid TF Coord Opioid Recovery Care		2,437,500	743,615	30.5%	53.8%	This is specific to the CORE programs. On 2/26/2025, \$1,000,000 was amended into our contract for Osceola County. We have begun working with a subcontractor on implementing the program in Osceola county. From our experience, getting these programs off the ground takes some time as there are a few community stakeholder components that have to be incuded in the process. The CORE Orange County program has been delayed in billing due to their procurement process. We expect to see an invoice in the next billing cycle. Seminole and Brevard are billing for their CORE programs.
MSOHB	ME Opioid TF Hospital Bridge Programs		538,634	168,146	31.2%	83.3%	There were delays in billing to this OCA as it only allowed us to bill to this OCA for programs that did not include a CORE program in its county. We have a CORE program in all counties so we had to advocate to update this language so it can be utilized. The language was updated to read, "This BE/OCA combination captures allowable costs for Hospital Bridge Programs to engage hospitals or network service providers not currently receiving CORE funds for their hospital bridge programs." This does help in utlizing the funds. We also are looking at all available covered services allowable under this OCA to ensure we are fully utilizing.
