Meeting Called to Order
The Central Florida Cares Executive Committee meeting was held on Wednesday, August 13, 2025, at 2:00 p.m. at Central Florida Cares Health System. Ian Golden, President, called the meeting to order at 2:12 pm.

RASE Appeal Discussion
CFC Attorney Glen Torcivia and RASE Attorney Timothy Anderson reported they discussed RASE appeal and agreed the Distribution of Payment Timeline, Termination without cause and RASE removing the appeal. Discussion ensued around the reconciliation process of the ~$69K and reimbursement. It is recommended that two-party checks be written to RASE and the applicable vendors. After much back and forth, the President indicated at this point the Executive Committee board needs to approve the final decision and leave with an understanding of where we are, what is to happen, and what the steps are. CFC's attorney acknowledged the amazing effort from CFC to get the vendors paid and stated there is no more time, as the state needs the final reconciliation by Friday. The President asked that RASE Attorney, Tim Anderson, acknowledge the timeline proposed:

Distribution of Payment Timeline:

- Thursday, August 14th, Denise Holden of RASE will pick up the checks at CFC offices by 11am.
- Between Thursday, August 14th and Friday, August 15th at 12:00 pm, Denise takes the checks to each vender and will provide a picture text message of the two-party endorsed check front and back for each check. The texted picture will be sent to Maria Bledsoe and Trinity Schwab.
- After 12:00 pm on Friday, August 15th CFC will cancel any check CFC did not receive texted pictures of the two-party endorsed checks.

Attorney Tim Anderson said, "that is the plan and should work."

Luis Delgado made a motion to stipulate a termination of the contract was without cause and regarding the conditions that the President set forth above, along with the timeframe discussed, Debbie Owens seconded; motion passed.

Financial Report

CFO reported June Preliminary financials where Cash in bank is $9.350M and Accounts Receivable at $19.481M. Total Assets are $29.172M. Under Liabilities, provider utilization payables are at $13.060M. Accrued expenses are $83K for the merits and 403b component. Wages Payable are $65K. Carry Forward Funds are $11.236M with another $1.4M yet to be paid for provider overproduction. Advance due to DCF is the payback and is mostly federal dollars that have to be paid back.

On the Preliminary Statement of Revenue and Expenses through June 30th, Network Provider program revenue for DCF $11.590M, personnel expenses were down a little at the end of the year from a couple of staff vacancies. The Needs Assessment benchmarking expense was prepaid for $27,250. Office equipment has eight new Surfaces for employees for $23,822. Outreach and Awareness for $34,034 was for the Kentucky Better Without It grant. Software expenses were for FivePoints thru June 30th. The building rent increased in July with built-in escalation in rent at 5%. This building is a lower-level Class A and is still under a net of $20 a sq. ft.

OCAs – ME Admin expenses utilization ending June 30, 2025, are at 94.5%. Remaining $201K will be carried forward to FY2025-26 since CFC does not know the next Schedule of Funds and the decrease in Admin funds year to year so will allow for an operational safety net. Mental Health Services utilization is at 95.3% and Substance Use utilization is at 93.2%. Care Coordination and Opioid Recovery Care were received late in the year and unspent dollars can be carried forward into FY2025-26. Opioid Recovery Housing was received towards the end of the year as well and is non-recurring funding.

Page 7 reflects the OCAs underutilized and explanations provided. Page 8 shows Amendment 74 executed, and the last page shows the admin rate at 2.82%.

A motion to approve the June Preliminary financials as presented was made by Debbie Owens, Luis Delgado seconded; motion passed.

Organizational Updates

- GHME2 contract - working through requirements of the GHME2 and invoicing for the new fiscal year.
- Treasurer – Amber Carroll facilitated the Finance Committee meeting. Justin Saenz had a conflict of interest with PNC Bank. A written notice will be sent to the Board of Directors for consent.
- Needs Assessment – after this meeting CFC is reviewing the first draft. The final presentation will be presented virtually at the October Board of Directors' meeting. The Needs Assessment will be presented in each county virtually, except for Orange County which will be presented in person since the Interagency Collaborative will already have stakeholders there. The Needs Assessment is due to the Department on October 1st.
- Policy Revisions were necessary due to the new GHME2 contract and the Department changes. The policies were reviewed, and the President made some recommendations to some of the policies. Changes were discussed and some policies were edited. The policies would go before the full board next week as part of the consent agenda.

  A motion to accept the changes to policies as presented was made by Luis Delgado. Debbie Owens seconded; motion passed.

- Carisk meetings resulted in a proposal. The cost exceeded what CFC could afford, and CFC counter offered and was accepted. It would meet all the Department's requirements under the GHME2 contract, where FivePoints could not, due to not having time to build out what is newly required. Carisk would limit the risk of not being able to meet the Department's requirement and being penalized. The timeline would be December. Five out of seven Managing Entities use Carisk. The invoicing process is built out and will make it a more efficient process.
- CFC is in the process of being monitored by the Department's Contract Oversight Unit. All Managing Entities will be audited in September by a fiscal and operational unit covering the past two years, and then the independent financial audit will happen in October.

Other/Public Input – None

Next Meeting

The next Executive Committee meeting will be September 10, 2025, at 2 pm.

Debbie Owens made a motion to adjourn, Luis Delgado seconded; motion passed.

The meeting adjourned at 3:31 pm.

MH0BN	ME MH BNET (Behavioral Health Network)		1,502,374	1,016,884	67.7%	100.0%	The Florida Department of Children and Families oversees the eligibility for this funding and the enrollment has continued to be low this year. CFC has no control over the enrollment.
MHDRF	ME Disability Rights Florida Mental Health		75,800	25,306	33.4%	100.0%	
MHMDT	MH ME Other Multidisciplinary Team		2,803,710	1,472,537	52.5%	100.0%	On 11/24/2024, $1,300,000 was amended into our contract, specific to HB7021. CFC in partnership with LSF procured this funding for a children's SRT. We awarded a provider in February but the budget is approximately $530,000. We are re-evaluating what is allowable under HB7021 to utilize for this FY. If we exclude the HB7021 funds we are at a 55% burn rate. These are state dollars so what is not expensed this year would be included in our carry forward plan.
MS0CN	ME SA Care Coordination Direct Client Services		617,324	369,927	59.9%	100.0%	On 11/24/2024, $400,000 was amended into our contract, specific to HB7021. There was a delay allocating to providers as we were awaiting feedback from DCF on expectations on how to utilize these funds. For some of the providers who received these funds it also required discharge planners to be hired. CFC continues to work with the providers on utilizing these funds specifc to HB7021. These are state dollars so what is not expensed this year would be included in our carry forward plan.
MSOCR	ME Opioid TF Coord Opioid Recovery Care		2,777,500	1,099,593	39.6%	84.6%	This is specific to the CORE programs. On 2/26/2025, $1,000,000 was amended into our contract for Osceola County. We have begun working with a subcontactor on implementing the program in Osceola county. From our experience, getting these programs off the ground takes some time as there are a few community stakeholder components that have to be incudled in the process. The CORE Orange County program has been delayed in billing due to their procurement process. We expect to see an invoice in the next billing cycle. Seminole and Brevard are billing for their CORE programs.
